Brad Butcher has been a resident of Bridlewood since moving to Texas in late 1997. He and his family built a home in Remington Park and lived there for 7 years before moving to San Antonio in 2005. When work recently brought them back to the DFW area, they knew immediately they wanted to return to Bridlewood.

Brad has two daughters; a 1<sup>st</sup> grader, Brynn, who attends Bridlewood Elementary and Jacy, who is a 7<sup>th</sup> grader at Downing Middle School. Brad's wife of 18 years, Jamie, is employed by AT&T.

Brad, who is currently employed by Level 3 Communications, has over 18 years of experience in corporate leadership positions including extensive experience in sales, project and vendor management, and contract negotiations.

Brad's experience uniquely positions him to provide key value to Bridlewood and its residents through his ability to effectively manage key issues to completion and drive incremental value out of the contractual relationships Bridlewood maintains with vendors and partners.
